Simulated images

What fun will you develop?

The FUJIFILM QuickSnap Flash 400 one-time-use camera is fun and easy to use – great for taking pictures indoors or outdoors! It sports a compact body and is pre-loaded with ISO 400 speed film that produces very sharp pictures. It features a built-in flash with a 10' flash range and a continuous flash switch. This makes it super easy to take multiple shots, letting you focus on the fun of taking the pictures!
