QuickSnap Waterproof

ONE-TIME-USE CAMERA | WATERPROOF TO 35'

The FUJIFILM *QuickSnap Waterproof one-time-use camera* is pre-loaded with 800 ISO 35mm film. This all-weather camera is ready for any adventure. The oversized lever-type shutter release on the front of the camera and top-mounted film advance knob makes it very easy to operate. It's ideal for shooting outdoors in wet and snowy conditions, and operates up to 35 feet underwater!
